

Dear Parent(s)/Guardian(s),

The Wriggle Online Store is now open for the purchase of iPad and physical textbooks with free eBooks for 5th Year 2019-2020 in Loreto Abbey Dalkey.

To access the 5th Year online store please visit www.wriggle.ie.

Click '**Order Online**' and input the following code: **56147170**

New and Opt-In Students

If a student is opting in to the 1:1 iPad Programme for the first time or is new to the school, it will be necessary to contact Wriggle by phone as well as making the relevant purchases on the 5th Year online store. Please follow this procedure:

Step 1.

Purchase required textbooks/eBooks on the 5th year online store .

Step 2.

Contact Wriggle by phone to state that the student is a new or opt-in student.

Please request with Wriggle that they create the relevant publisher eBook accounts (Folens, EDCO, educate.ie, etc.)

In the case of opt-in existing students, please use the students current school email and password for this purpose.

For students who are new to the school, please contact the school office for information about school email addresses and passwords.

The video from Wriggle linked below outlines general instructions for how to place an order on the online store:

This is the first year of the new home delivery system which allows Wriggle to deliver each students package straight to your home. This will include their iPad with eBooks preinstalled and the printed textbook bundle. Home delivery will take place in mid-August, providing that the order has been placed by the deadline of 10th July.

Setup of new iPads for any new or opt-in students in 5th Year will take place in school during the first full week of classes with Mr. Hughes. Further details will be provided on this in late August.

The video below from Wriggle will outlines the home delivery process: bit.ly/homedeliverywriggle

Please find attached the Booklist/eBooklist for 5th Year and information from Wriggle with details of how to proceed with the purchase of iPad and physical textbooks with free eBooks for 5th Year from the Wriggle online store.

On the Booklist/eBooklist, **items listed in red will be purchased from the Wriggle Online Store.**

Other items listed in black, including stationery, hardbacks and copies, art supplies, etc., should be purchased separately from a retail store (i.e. a bookshop, stationery supplies shop, etc.).

You will be presented with the following options whilst making your purchase:

- Choice of iPad - 32GB or 128GB (in either Space Grey or Silver).
- The Bring Your Own Device (BYOD) option should only be selected if a compatible iPad is already owned. The minimum requirement is iPad 2017 (5th gen) with 32GB or later, or any model of iPad Pro. Compatible BYOD iPads must be delivered to the school by June 12th. There is an additional €50 charge for BYOD configuration. Please see the attached PDF for more information on BYOD requirement.
- Option to purchase a heavy duty iPad case or to choose to purchase your own case separately (BYOC). (Note - the chosen case is a heavy duty case, but this does not have a

plastic front screen protector. Some may wish to purchase a more rugged case or a keyboard case, but this is at your discretion.)

- Option to purchase insurance through Gadget Insurance.

If not purchasing a new iPad, please ignore this section.

Please ensure that purchases are made before the closing date on 10th July.

An increased administration charge of €50 will be applied to all late orders and may result in your daughter's iPad and textbooks not being available in time for the new school year.

Delivery and setup of late orders will not take place until late October, close to the end of the first half-term.

Additionally, in the event of a late order, eBooks will not be preloaded onto a student's iPad. In this case, it will be the full responsibility of the student and/or Parent/Guardian to create eBook accounts and to redeem and download all eBooks based on the code printed on textbook covers without assistance from either Wriggle or the school.
