Please find attached the eBooklist for NEW 2nd Year students.

This is a combination of the 2nd Year eBooklist 2019-2020 and the majority of textbooks and eBooks from last year's 1st year eBooklist 2018-2019. All of the relevant physical textbooks and eBooks listed will be used in 2nd and 3rd Year.

**Items listed in red will be purchased from the Wriggle Online Store.**

**Other items listed in black, including some additional textbooks/activity books/workbooks, stationery, hardbacks and copies, art supplies, etc., should be purchased separately from a retail store (i.e. a bookshop or stationary supplies shop).**

If your daughter already owns some of the textbooks listed (i.e. used in 1st Year in her previous school), please contact Wriggle by phone to have these removed from your order - tel: 01-5009060.

If you are unsure about your daughter's choice of option subjects or modern foreign languages, please contact the school - Tel: 01-2718900 email: [office@LoretoAbbeyDalkey.ie](mailto:office@LoretoAbbeyDalkey.ie)

**NOTE:**

**Maths** - Active Maths 2 should only be selected by those who are studying Higher Level Maths. If you are unsure of your daughter's subject level for 2nd year, please contact the school and/or her Maths Teacher for advice on this. The online store will be reopened in late-September to allow for the purchase of the Higher Level Maths textbook, if required.

Please ensure that purchases are made before the closing date on 10th July. An increased charge of €50 will be applied to all late orders and may result in your daughter's textbooks and eBooks not being available in time for the new school year. In this case, it will be the full responsibility of the student and/or Parent/Guardian to create eBook accounts and to redeem and download all eBooks based on the code printed on textbook covers without assistance from either Wriggle or the school.
