

BYOD iPad Option - TY 2019-2020

The Bring Your Own iPad (BYO iPad) option is available in TY, but any iPad chosen for this must meet certain requirements:

The minimum requirements are:

- Model: iPad Air 2 or later. This includes the following models: iPad Air 2, iPad 5th gen (2017), iPad 6th gen (2018), any model of iPad Pro, the new iPad Air (3rd gen 2019 model).
- Storage capacity: 32GB or greater (i.e. 64GB, 128Gb, 256GB)
- Other older or smaller models of iPad cannot be used.
- iPad is the only device permitted as part of our 1:1 programme. There will be no exception to this.
- **If choosing this option, suitable BYO iPads must be delivered to the school by 12th June 2019, suitably labelled and packaged, to be sent to Wriggle for configuration.**
- BYO iPads must be signed-out of iCloud and fully erased and reset to factory settings before delivery to the school.
- A BYO iPad will be configured primarily for school use, in exactly the same way as a new purchase. Purchases made formerly on a BYO iPad will no longer be accessible once it has been configured for educational use.
- There is a €50 charge for BYOD configuration (Addition to the standard Support and Services charge)
