

Consent Form for the Administration of Assessment Instruments to Students 2023

During your daughter's education in Loreto Abbey Dalkey, she will have the opportunity to engage in a wide range of assessment activity as part of normal teaching and learning. Other specialist tests may also be administered to support your daughter's educational development and learning as well as her career development. Such tests may include achievement, ability, diagnostic and interest tests.

The results of all such tests will be shared with parent(s)/guardian(s) and student, if it is deemed necessary. There may also be occasion to administer tests on an individual basis to your daughter to support her learning, progress and achievement. Such tests will only be administered following consultation with parent(s)/guardian(s).
