LORETO ABBEY SECONDARY SCHOOL

Looking Forward To.....

Tuesday 14th May at 7.30pm: An Evening of Summer Music will take place in the Concert Hall with a mellifluous repertoire of pieces and performers including our First Year choir, instrumentalists, orchestra and the Parents' Choir. Tickets are €5 and available via Easy Payments on our website or via Reception.

Perfect Physics

'The idea that you can look at a system and characterise its energies and its forces to understand what's going on is **beautiful**.' Johns Hopkins University eloquently captured the reason our Junior Science students are so enthused by STEM/LEGO Club. This love of making sense of things was on display at SCIFEST in DCU this week where the group won the award for 'The Project with the Best Physics Content' for their project entitled 'How Do Robots Detect Their Environment?'. Well done to Nicole Gavin, Grace Kershaw and Ruby Kearns on this achievement. Thank you to Mr Cullen.

EMBER GRADUATION

Congratulations to our EMBER team who graduated this week at a special ceremony led by Archbishop Dermot Farrell in DCU. Our Faith Leaders have enhanced the ethos of our school this year and we hope that they will carry the EMBER flame with them into 6th Year. Thank you to Mr Byrne for guiding the team this year.

Terrific Trento

Travelling to Trento, Italy to share knowledge and inspirational practices at the Schools Beyond Regions and Borders programme has been an exciting European project to participate in. This week, Stephanie Finlay, Leah Harton and Áine McGoldrick presented our whole school sustainability strategy to their European compatriots. They spoke eloquently about our waste management system using the triple bin method, our Green Champions and the unsettling reality that every year 2.12 tonnes of waste is dumped in Ireland. Thank you to Ms E.Murray for preparing and organising this invaluable opportunity to engage in European interschool dialogue.

Y.E.S

Well done to our 1st Year Young Entrepreneurs who reached the Enterprise Ireland National Finals this week with their business 'Locker Stockers'.

Creative Writing

Congratulations to Cate McCashin in 3C who won the Edna O'Brien Young Writers Award 2024. Cate will enjoy a week long mentorship in UCD with author Colm McCann.
